

DENTAL PRACTICE FOR SALE IN GRAVELBOURG, SASKATCHEWAN

The unique Town of Gravelbourg is looking for a dentist to purchase their profitable dental practice. With 1700 patient files, the approximate yearly revenue of about \$500 to \$750,000.00CA, this is a practice that allows a comfortable lifestyle. Purchasing the practice consists of owning the modern equipment and the patient files. The building is shared with 2 family physicians with rent being paid at \$900.00 per month. There are trained staff ready to work.

The Town of Gravelbourg is offering a generous purchase agreement and incentives to enrich your experience. You may also be eligible for a Provincial grant of \$5000 per year for 2 years. Qualifications include full licensing privileges from the College of Dental Surgeons of Saskatchewan and agreement to a minimum of a 2 year contract.

Gravelbourg is dubbed the 'Cultural Gem of Saskatchewan', thanks to its remarkable bilingual heritage, regal architecture and rich culture, Gravelbourg is A Touch of Europe on the Prairies. Here you will find culture and closeness of community, and an easy, human quality of life. Well-maintained municipal infrastructure with community parks and forests and a commitment to enhance ecological and environmental initiatives on a local and regional basis.

The town is an important regional service center, with an integrated business sector including two newspapers, community radio and over 100 businesses spanning the retail, manufacturing and service sectors. The Cultural event of the year is their annual Southern Saskatchewan Summer Solstice d'été Festival - a diverse weekend of musical, literary and performing arts programming.
